Community Emergency Response Team Course E317 Instructor Guide

This document contains a list of files that you should have after decompressing **E317IGA.EXE** and **E317IGB.EXE** file. There should be a total of 15 files. All of the files are in Microsoft Word version 6.0 format, except the README.TXT file. The documents are formatted for a Hewlett Packard LaserJet, Model 4 printer.

Note: If you do not have a HP LaserJet Model 4, the spacing in the document may automatically adjust to your printer's specifications. This may require some repagination and checking the document prior to printing.
